I am interested in applying for a STAR Scholarship. Please review each item below to ensure you meet the eligibility requirements for the STAR Scholarship and check off the requirements you meet.

	I am a senior woman high school student under the age of 20
	I have a minimum unweighted GPA of 3.0 on a 4.0 scale
	I am a citizen or legal permanent resident of the U.S. or Canada
	I plan to attend an accredited post-secondary educational institution in the U.S. or Canada, full- or part-time in the fall of the academic year following high school graduation
	I understand that I am required to be interviewed by a local P.E.O. Chapter and that this does not guarantee I will be selected for consideration of a STAR Scholarship

**Eligible students will be contacted to schedule either a personal or Zoom interview.** You will be notified if you are sponsored for a scholarship. Sponsored students will be sent an online account to complete their portion of the application. A student profile, student activity charts, original essay not to exceed 700 words, two references and an unofficial high school transcript(through the 11<sup>th</sup> grade/junior year) must be submitted online no later than 30 calendar days after the online link is sent from the STAR Supervisor with instructions to set up your online account.

***An interview and/or sponsorship by a local P.E.O. Chapter does not guarantee a scholarship.***
